TOGETHER FOR
CHRISTMAS

serve and give during the holidays

Introducing the Project:Re3 Gift Mart

For the first time, Project:Re3 will be hosting a Christmas Gift Mart for families of our Kernersville Hope Center. We are now collecting new and like-new toys for ages birth-17 years old from now until Sunday, Dec. 5th.

GET INVOLVED!

Saturday, December 11th
9am-3pm

The **Re3 Gift Mart** provides an opportunity for parents to select, in a store-type setting, new and like-new toys and gifts for their children (including tweens and teens). Families who shop at the Gift Mart are referred to us through the Re3 Hope Center.

WHY DOES IT MATTER?

Parents want to provide for their children. But some find themselves in very tight places and are having a challenge doing so. The Gift Mart provides an opportunity for parents to select new and like-new holiday gifts and toys for their children at no cost.

TOY GIVING GUIDELINES

- All toys should be in new or like-new, unbroken and in good condition.
- No violent toys will be accepted.
- Electronic should be in working condition.
- Dolls should have all parts. Place doll, clothes, and accessories in a sealed plastic bag.
- Toy sets (i.e. building blocks, tea sets) should be boxed or in sealed plastic bags.
